2018 Omnibus Incentive Compensation Plan

1. **Purpose.** Inseego Corp. hereby amends and restates the Inseego Corp. 2009 Omnibus Incentive Compensation Plan into this Inseego Corp. 2018 Omnibus Incentive Compensation Plan. The purpose of the Plan is to promote the long-term success of the Company and the creation of stockholder value by offering directors, officers, employees and consultants of the Company an opportunity to acquire a proprietary interest in the success of the Company, or to increase such interest, and to encourage such selected persons to continue to provide services to the Company and to attract new individuals with outstanding qualifications.

2. **Definitions.** As used in the Plan,

- (a) “Affiliate” means any entity other than a Subsidiary, if the Company and/or one or more Subsidiaries owns not less than 50 percent of such entity.
- (b) “Aggregate Share Limit” means the aggregate maximum number of shares available under the Plan pursuant to Section 3(a)(i) of the Plan.
- (c) “Annual Incentive Award” means a cash award granted pursuant to Section 8 of the Plan, where such award is based on Management Objectives and a Performance Period of one year or less.
- (d) “Appreciation Right” means a right granted pursuant to Section 5 of the Plan.
- (e) “Award” means any Annual Incentive Award, Option Right, Restricted Stock, Restricted Stock Unit, Appreciation Right, Performance Share, Performance Unit or Other Award granted pursuant to the terms of the Plan.
- (f) “Base Price” means the price to be used as the basis for determining the Spread upon the exercise of an Appreciation Right.
- (g) “Beneficial Owner” or “Beneficial Ownership” has the meaning ascribed to such term in Rule 13d-3 of the General Rules and Regulations under the Exchange Act.
- (h) “Board” means the Board of Directors of Inseego, as constituted from time to time.
- (i) “Change in Control” means, except as may otherwise be provided in an Evidence of Award or in a Participant’s written employment agreement, change-in-control agreement, severance agreement, or other similar written agreement or arrangement that expressly provides that such definition applies with respect to this Plan, the first to occur of the following events:
 - (i) any Person is or becomes the Beneficial Owner of 50 percent or more of the combined voting power of the then-outstanding Voting Stock of Inseego; provided, however, that:
 - (1) the following acquisitions will not constitute a Change in Control: (A) any acquisition of Voting Stock of Inseego directly from Inseego that is approved by a majority of the Incumbent Directors, (B) any acquisition of Voting Stock of Inseego by the Company, (C) any acquisition of Voting Stock of Inseego by the trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by the Company, and (D) any acquisition of Voting Stock of Inseego by any Person pursuant to a Business Transaction (as defined below) that complies with clauses (A), (B) and (C) of Section 2(i)(iii) below;
 - (2) if any Person is or becomes the Beneficial Owner of 50 percent or more of the combined voting power of the then-outstanding Voting Stock of Inseego as a result of a transaction described in clause (A) of Section 2(i)(i)(1) above and such Person thereafter becomes the Beneficial Owner of any additional shares of Voting Stock of Inseego representing one percent or more of the then-outstanding Voting Stock of

Inseego, other than in an acquisition directly from Inseego that is approved by a majority of the Incumbent Directors or other than as a result of a stock dividend, stock split or similar transaction effected by Inseego in which all holders of Voting Stock are treated equally, such subsequent acquisition will be treated as a Change in Control;

(3) a Change in Control will not be deemed to have occurred if a Person is or becomes the Beneficial Owner of 50 percent or more of the Voting Stock of Inseego as a result of a reduction in the number of shares of Voting Stock of Inseego outstanding pursuant to a transaction or series of transactions that is approved by a majority of the Incumbent Directors unless and until such Person thereafter becomes the Beneficial Owner of any additional shares of Voting Stock of Inseego representing one percent or more of the then-outstanding Voting Stock of Inseego, other than as a result of a stock dividend, stock split or similar transaction effected by Inseego in which all holders of Voting Stock are treated equally; and

(4) if at least a majority of the Incumbent Directors determine in good faith that a Person has acquired Beneficial Ownership of 50 percent or more of the Voting Stock of Inseego inadvertently, and such Person divests as promptly as practicable but no later than the date, if any, set by the Incumbent Directors a sufficient number of shares so that such Person has Beneficial Ownership of less than 50 percent of the Voting Stock of Inseego, then no Change in Control will have occurred as a result of such Person's acquisition; or

(ii) a majority of the Board ceases to be comprised of Incumbent Directors; or

(iii) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of Inseego or the acquisition of the stock or assets of another corporation, or other transaction (each, a "Business Transaction"), unless, in each case, immediately following such Business Transaction (A) the Voting Stock of Inseego outstanding immediately prior to such Business Transaction continues to represent (either by remaining outstanding or by being converted into Voting Stock of the surviving entity or any parent thereof), more than 50 percent of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction (including, without limitation, an entity which as a result of such transaction owns Inseego or all or substantially all of Inseego's assets either directly or through one or more subsidiaries) in substantially the same proportions relative to each other as their ownership, immediately prior to such Business Transaction, of the Voting Stock of Inseego, (B) no Person (other than Inseego, such entity resulting from such Business Transaction, or any employee benefit plan (or related trust) sponsored or maintained by the Company or such entity resulting from such Business Transaction) has Beneficial Ownership, directly or indirectly, of 50 percent or more of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction, and (C) at least a majority of the members of the Board of Directors of the entity resulting from such Business Transaction were Incumbent Directors at the time of the execution of the initial agreement or of the action of the Board providing for such Business Transaction; or

(iv) Inseego implements a plan for liquidation or dissolution of Inseego, except pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of Section 2(i)(iii).

At the Board’s discretion, any Management Objective may be measured before special items, and may or may not be determined in accordance with GAAP. The Board shall have the authority to make equitable adjustments to the Management Objectives (and to the related minimum, target and maximum levels of achievement or performance) as follows: in recognition of unusual or non-recurring events affecting Inseego or any Subsidiary or Affiliate or the financial statements of Inseego or any Subsidiary or Affiliate; in response to changes in applicable laws or regulations; to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles; or in recognition of any events or circumstances (including, without limitation, changes in the business, operations, corporate or capital structure of the Company or the manner in which it conducts its business) that render the Management Objectives unsuitable, as determined by the Board in its sole discretion.

(x) “Market Value Per Share” means as of any particular date the closing sale price of a Share as reported on the Nasdaq Stock Market or, if not listed on such exchange, on any other national securities exchange on which the Shares are listed. If there is no regular public trading market for the Shares, the Market Value Per Share of the Shares shall be the fair market value of the Shares as determined in good faith by the Board. (oo) "Subsidiary" means a corporation, company or other entity (i) more than 50 percent of whose outstanding shares or securities (representing the right to vote for the election of directors or other managing authority) are, or (ii) which does not have outstanding shares or securities (as may be the case in a partnership, joint venture or unincorporated association), but more than 50 percent of whose ownership interest representing the right generally to make decisions for such other entity is, now or hereafter, owned or controlled, directly or indirectly, by Inseego; except that, for purposes of determining whether any person may be a Participant for purposes of any grant of Incentive Stock Options, "Subsidiary" means any corporation in which at the time Inseego owns or controls, directly or indirectly, more than 50 percent of the total combined voting power represented by all classes of stock issued by such corporation.

(pp) "Voting Stock" means securities entitled to vote generally in the election of directors.

3. Shares Available Under the Plan.

(a) Maximum Shares Available Under Plan.

(i) Subject to adjustment as provided in Section 11 of the Plan, the maximum number of Shares that may be issued (A) upon the exercise of Option Rights or Appreciation Rights, (B) in payment or settlement of Restricted Stock and released from substantial risks of forfeiture thereof, (C) in payment or settlement of Restricted Stock Units, (D) in payment or settlement of Performance Shares or Performance Units that have been earned, (E) in payment or settlement of Other Awards, or (F) in payment of dividend equivalents paid with respect to Awards made under the Plan, in the aggregate will not exceed 18,200,000 Shares (the "Aggregate Share Limit"), which includes all shares previously authorized under the Plan immediately prior to this amendment and restatement of the Plan, plus an additional 3,200,000 Shares.

Shares that are issued in connection with inducement grants pursuant to Nasdaq Listing Rule 5635 and Shares issued under any plan assumed by Inseego in any corporate transaction will not count against the Aggregate Share Limit.

(ii) Shares covered by an Award granted under the Plan shall not be counted against the Aggregate Share Limit unless and until they are actually issued and delivered to a Participant and, therefore, the total number of Shares available under the Plan as of a given date shall not be reduced by any Shares relating to prior Awards that have expired or have been forfeited or cancelled or terminated for any other reason other than being exercised or settled, and to the extent of payment in cash of the benefit provided by any Award granted under the Plan, any Shares that were covered by that Award will be available for issue or transfer hereunder. In addition, upon the full or partial payment of any Option Price by the transfer to the Company of Shares or upon satisfaction of tax withholding provisions in connection with any such exercise or any other payment made or benefit realized under this Plan by the transfer or relinquishment of Shares, there shall be deemed to have been issued under this Plan only the net number of Shares actually issued by the Company.

(iii) Subject to adjustment as provided in Section 11 of the Plan, the aggregate number of Shares actually issued by the Company upon the exercise of Incentive Stock Options will not exceed 7,000,000 Shares.

4. **Option Rights.** The Board may, from time to time, authorize the granting to Participants of Option Rights upon such terms and conditions consistent with the following provisions as it may determine:

(a) Each grant will specify the number of Shares to which it pertains subject to the limitations set forth in Section 3 of the Plan.

(b) Each grant will specify an Option Price per share, which may not be less than (i) the Market Value Per Share on the Date of Grant or (ii) if the Person to whom an Incentive Stock Option is granted is a 10% Shareholder on the Date of Grant, 110% of the Market Value Per Share on the Date of Grant. However, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Incentive Stock Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424 of the Code or if the Award is designated as a "Section 409A Award" and has either a fixed exercise date or a fixed delivery date.

(c) Each grant will specify whether the Option Price will be payable (i) in cash or by check acceptable to Inseego or by wire transfer of immediately available funds, (ii) by the actual or constructive transfer to Inseego of Shares owned by the Optionee (or other consideration authorized pursuant to Section 4(d)) having a value at the time of exercise equal to the total Option Price, (iii) by withholding by Inseego from the Shares otherwise deliverable to the Optionee upon the exercise of such Option Rights, a number of Shares having a value at the time of exercise equal to the total Option Price, (iv) by a combination of such methods of payment, or (v) by such other methods as may be approved by the Board.

(d) To the extent permitted by law, any grant may provide for deferred payment of the Option Price from the proceeds of sale through a bank or broker on a date satisfactory to Inseego of some or all of the Shares to which such exercise relates.

(e) Successive grants may be made to the same Participant whether or not any Option Rights previously granted to such Participant remain unexercised.

(f) Each grant will specify the period or periods of continuous service by the Optionee with Inseego or any Subsidiary that is necessary before the Option Rights or installments thereof will become exercisable.

(g) Any grant of Option Rights may specify Management Objectives that must be achieved as a condition to the exercise of such rights.

(h) Option Rights granted under the Plan may be (i) Incentive Stock Options, (ii) options that are not intended to qualify as Incentive Stock Options, or (iii) combinations of the foregoing. Incentive Stock Options may only be granted to Participants who are "employees" (under Section 3401(c) of the Code) of Inseego or a subsidiary of Inseego (under Section 424 of the Code). Any Option Right designated as an Incentive Stock Option will not be an Incentive Stock Option to the extent the Option Right fails to meet the requirements of Section 422 of the Code. Each grant will specify whether the Option Right is an Incentive Stock Option or an option that is not intended to qualify as an Incentive Stock Option.

(i) The Board may substitute, without receiving Participant permission, Appreciation Rights payable only in Shares (or Appreciation Rights payable in Shares or cash, or a combination of both, at the Board's discretion) for outstanding Option Rights; provided, however, that the terms of the substituted Appreciation Rights are substantially the same as the terms for the Option Rights at the date of substitution and the difference between the Market Value Per Share of the underlying Shares and the Base Price of the Appreciation Rights is equivalent to the difference between the Market Value Per Share of the underlying Shares and the Option Price of the Option Rights. If the Board determines, based upon advice from Inseego's accountants, that this provision creates adverse accounting consequences for Inseego, it shall be considered null and void.

(j) No Option Right will be exercisable more than 10 years from the Date of Grant; provided, however, that with respect to Incentive Stock Options issued to 10% Shareholders, the term of each such Option Right shall not exceed five (5) years from the date it is granted.

(k) No grant of Option Rights may provide for dividends, dividend equivalents or other similar distributions to be paid on such Option Rights.

(l) No Option Right shall include terms entitling the Participant to a grant of Option Rights or Appreciation Rights on exercise of the Option Right.

5. **Appreciation Rights.** The Board may, from time to time, authorize the granting to any Participant of Appreciation Rights upon such terms and conditions consistent with the following provisions as it may determine:

(a) An Appreciation Right will be a right of the Participant to receive from Inseego an amount determined by the Board, which will be expressed as a percentage of the Spread (not exceeding 100 percent) at the time of exercise.

(b) Each grant will specify the Base Price, which may not be less than the Market Value Per Share on the Date of Grant.

(c) Any grant may specify that the amount payable on exercise of an Appreciation Right may be paid by Inseego in cash, in Shares or in any combination thereof and may retain for the Board the right to elect among those alternatives.

(d) Any grant may specify that the amount payable on exercise of an Appreciation Right may not exceed a maximum specified by the Board at the Date of Grant.

(e) Any grant may specify waiting periods before exercise and permissible exercise dates or periods.

(f) Each grant will specify the period or periods of continuous service by the Participant with Inseego or any Subsidiary that is necessary before such Appreciation Right or installments thereof will become exercisable.

(g) Any grant of Appreciation Rights may specify Management Objectives that must be achieved as a condition of the exercise of such Appreciation Rights.

(h) Successive grants may be made to the same Participant regardless of whether any Appreciation Rights previously granted to the Participant remain unexercised.

- (i) No Appreciation Right granted under the Plan may be exercised more than 10 years from the Date of Grant.
- (j) No grant of Appreciation Rights may provide for dividends, dividend equivalents or other similar distributions to be paid on such Appreciation Rights.
- (k) No Appreciation Right shall include terms entitling the Participant to a grant of Option Rights or Appreciation Rights on exercise of the Appreciation Right.

6. **Restricted Stock.** The Board may, from time to time, authorize the granting of Restricted Stock to Participants upon such terms and conditions consistent with the following provisions as it may determine:

(a) Each such grant will constitute an immediate transfer of the ownership of Shares to the Participant in consideration of the performance of services, entitling such Participant to voting, dividend and other ownership rights, but such rights shall be subject to such restrictions and the fulfillment of such conditions (which may include the achievement of Management Objectives) during the Restriction Period as the Board may determine.

(b) Each such grant may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value Per Share at the Date of Grant.

(c) Each such grant will provide that the Restricted Stock covered by such grant that vests upon the passage of time will be subject to a “substantial risk of forfeiture” within the meaning of Section 83 of the Code for a Restriction Period to be determined by the Board at the Date of Grant or upon achievement of Management Objectives referred to in subparagraph (e) below.

(d) Each such grant will provide that during, and may provide that after, the Restriction Period, the transferability of the Restricted Stock will be prohibited or restricted in the manner and to the extent prescribed by the Board at the Date of Grant (which restrictions may include, without limitation, rights of repurchase or first refusal in Inseego or provisions subjecting the Restricted Stock to a continuing substantial risk of forfeiture in the hands of any transferee).

(e) Any grant of Restricted Stock may specify Management Objectives that, if achieved, will result in termination or early termination of the restrictions applicable to such Restricted Stock.

(f) Notwithstanding anything to the contrary contained in the Plan, any grant of Restricted Stock may provide for the earlier termination of restrictions on such Restricted Stock in the event of the retirement, death or disability, or other termination of employment of a Participant, or a Change in Control.

(g) Any such grant of Restricted Stock may require that any or all dividends or other distributions paid thereon during the Restriction Period be automatically deferred and reinvested in additional shares of Restricted Stock or paid in cash, which may be subject to the same restrictions as the underlying Award; provided, however, that dividends or other distributions on Restricted Stock subject to Management Objectives shall be deferred and paid in cash upon the achievement of the applicable Management Objectives and the lapse of all restrictions on such Restricted Stock.

(h) Unless otherwise directed by the Board, (i) all certificates representing shares of Restricted Stock will be held in custody by Inseego until all restrictions thereon will have lapsed, together with a stock power or powers executed by the Participant in whose name such certificates are registered, endorsed in blank and covering such Shares, or (ii) all shares of Restricted Stock will be held at Inseego’s transfer agent in book entry form with appropriate restrictions relating to the transfer of such shares of Restricted Stock.

7. **Restricted Stock Units.** The Board may, from time to time, authorize the granting of Restricted Stock Units to Participants upon such terms and conditions consistent with the following provisions as it may determine:

(a) Each such grant will constitute the agreement by Inseego to deliver Shares or cash to the Participant in the future in consideration of the performance of services, but subject to such restrictions and the fulfillment of such conditions (which may include the achievement of Management Objectives) during the Restriction Period as the Board may specify.

(b) Each such grant may be made without additional consideration or in consideration of a payment by such Participant that is less than the Market Value Per Share at the Date of Grant.

(c) Notwithstanding anything to the contrary contained in the Plan, any grant of Restricted Stock Units may provide for the earlier lapse or modification of the Restriction Period in the event of the retirement, death or disability, or other termination of employment of a Participant, or a Change in Control.

(d) During the Restriction Period, the Participant will have no right to transfer any rights under his or her Award and will have no rights of ownership in the Restricted Stock Units and will have no right to vote them, but the Board may at the Date of Grant, authorize the payment of dividend equivalents on such Restricted Stock Units on either a current, deferred or contingent basis either in cash, additional Restricted Stock Units or in additional Shares; provided, however, that dividend equivalents on Restricted Stock Units subject to Management Objectives shall be deferred and paid in cash upon the achievement of the applicable Management Objectives and the lapse of all restrictions on such Restricted Stock Units.

(e) Each grant of Restricted Stock Units will specify the time and manner of payment of the Restricted Stock Units that have been earned.

8. Annual Incentive Awards, Performance Shares and Performance Units. The Board may, from time to time, authorize the granting of Annual Incentive Awards, Performance Shares and Performance Units that will become payable to a Participant upon achievement of specified Management Objectives during the Performance Period, upon such terms and conditions consistent with the following provisions as it may determine:

(a) Each grant will specify either the number of shares, or amount of cash, payable with respect to Annual Incentive Awards, Performance Shares or Performance Units to which it pertains, which number or amount payable may be subject to adjustment to reflect changes in compensation or other factors.

(b) The Performance Period with respect to each Annual Incentive Award, Performance Share or Performance Unit will be such period of time (not less than one year in the case of each Performance Share and Performance Unit), as will be determined by the Board at the time of grant, which Performance Period may be subject to earlier lapse or other modification in the event of the retirement, death or disability, or other termination of employment of a Participant, or a Change in Control.

(c) Any grant of Annual Incentive Awards, Performance Shares or Performance Units will specify Management Objectives that, if achieved, will result in payment or early payment of the Award and may set forth a formula for determining the number of Shares, or amount of cash, payable with respect to Annual Incentive Awards, Performance Shares or Performance Units that will be earned if performance is at or above the minimum or threshold level or levels.

(d) Each grant will specify the time and manner of payment of Annual Incentive Awards, Performance Shares or Performance Units that have been earned. Any grant of Performance Shares or Performance Units may specify that the amount payable with respect thereto may be paid by Inseego in cash, in Shares or in any combination thereof and will retain in the Board the right to elect among those alternatives.

(e) Any grant of Annual Incentive Awards, Performance Shares or Performance Units may specify that the amount payable or the number of Shares issued with respect thereto may not exceed maximums specified by the Board at the Date of Grant.

(f) The Board may at the Date of Grant of Performance Shares provide for the payment of dividend equivalents to the holder thereof on either a current, deferred or contingent basis, either in cash or in additional Shares; provided, however, that dividend equivalents on Performance Shares shall be deferred and paid in cash upon the achievement of the applicable Management Objectives.

9. Other Awards.

(a) The Board may, subject to limitations under applicable law, grant to any Participant such Other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares or factors that may influence the value of such Shares, including, without limitation, awards consisting of securities or other rights convertible or exchangeable into Shares, purchase rights for Shares, awards with value and payment contingent upon performance of the Company or specified Subsidiaries, Affiliates or other business units thereof or any other factors designated by the Board, and awards valued by reference to the book value of Shares or the value of securities of, or the performance of specified Subsidiaries or Affiliates or other business units of Inseego. The Board shall determine the terms

and conditions of such awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 9 shall be purchased for such consideration, paid for at such time, by such methods, and in such forms, including, without limitation, cash, Shares, Other Awards, notes or other property, as the Board shall determine.

(b) Except as otherwise provided in Section 15(b), cash Awards, as independent Awards or as an element of or supplement to any other Award granted under the Plan, may also be granted pursuant to this Section 9.

(c) The Board may grant Shares as a bonus, or may grant other Awards in lieu of obligations of Inseego or a Subsidiary to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Board in a manner that complies with Section 409A of the Code.

10. **Transferability.**

(a) Except as otherwise determined by the Board, no Awards granted under the Plan and no rights under any such Awards shall be assignable, alienable, saleable, or transferable by the Participant except by will or the laws of descent and distribution, and in no event shall any such Award granted under the Plan be transferred for value. Except as otherwise determined by the Board, Option Rights and Appreciation Rights will be exercisable during the Participant's lifetime only by him or her or, in the event of the Participant's legal incapacity to do so, by his or her guardian or legal representative acting on behalf of the Participant in a fiduciary capacity under state law and/or court supervision.

(b) The Board may specify at the Date of Grant that part or all of the Shares that are to be issued by the Company upon the exercise of Option Rights or Appreciation Rights, upon the termination of the Restriction Period applicable to Restricted Stock or Restricted Stock Units or upon payment under any grant of Performance Shares, Performance Units or Other Awards will be subject to further restrictions on transfer.

11. **Adjustments.** The Board shall make or provide for such adjustments in the number of Shares covered by outstanding Option Rights, Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units granted hereunder and, if applicable, in the number of Shares covered by Other Awards, in the Option Price and Base Price provided in outstanding Option Rights or Appreciation Rights, and in the kind of Shares covered thereby, as the Board, in its sole discretion, may determine is equitably required to prevent dilution or enlargement of the rights of Participants that otherwise would result from (a) any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, in the event of any such transaction or event or in the event of a Change in Control, the Board, in its discretion, may provide in substitution for any or all outstanding Awards under the Plan such alternative consideration (including cash), if any, as it may determine to be equitable in the circumstances and may require in connection therewith the surrender of all Awards so replaced in a manner that complies with Section 409A of the Code. In addition, for each Option Right or Appreciation Right with an Option Price or Base Price greater than the consideration offered in connection with any such transaction or event or Change in Control, the Board may in its sole discretion elect to cancel such Option Right or Appreciation Right without any payment to the person holding such Option Right or Appreciation Right. The Board shall also make or provide for such adjustments in the number of Shares specified in Section 3 of the Plan as the Board in its sole discretion, may determine is appropriate to reflect any transaction or event described in this Section 11; provided, however, that any such adjustment to the number specified in Section 3(a)(iii) will be made only if and to the extent that such adjustment would not cause any Option Right intended to qualify as an Incentive Stock Option to fail so to qualify.

12. **Administration of the Plan.**

(a) The Plan will be administered by the Board, which may from time to time delegate all or any part of its authority under the Plan to the Committee. To the extent of any such delegation, references in the Plan to the Board will be deemed to be references to such Committee. A majority of the Committee will constitute a quorum, and the action of the members of the Committee present at any meeting at which a quorum is present, or acts unanimously approved in writing, will be the acts of the Committee.

(b) To the extent permitted by applicable law, including any rule of the Nasdaq Stock Market, the Board or Committee may delegate its duties under the Plan to a Secondary Committee, subject to such conditions and limitations as the Board or Committee shall prescribe; provided, however, that: (i) only the Board or Committee may grant an Award to a Participant who is subject to Section 16 of the Exchange Act; and (ii) the Secondary Committee shall report periodically to the

Board or the Committee, as the case may be, regarding the nature and scope of the Awards granted pursuant to the authority delegated. To the extent of any such delegation, references or deemed references in the Plan to the Committee will be deemed to be references to such Secondary Committee. A majority of the Secondary Committee will constitute a quorum, and the action of the members of the Secondary Committee present at any meeting at which a quorum is present, or acts unanimously approved in writing, will be the acts of the Secondary Committee.

(c) The Board shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Evidence of Award or other agreement or document ancillary to or in connection with this Plan, to determine eligibility for Awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Board may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including the terms and conditions set forth in an Evidence of Award, granting Awards as an alternative to or as the form of payment for grants or rights earned or due under compensation plans or arrangements of the Company, construing any ambiguous provision of the Plan or any Evidence of Award, and, subject to Sections 15 and 18, adopting modifications and amendments to this Plan or any Evidence of Award, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which Inseego, its Affiliates, and/or its Subsidiaries operate. The grant of any Award that specifies Management Objectives that must be achieved before such Award can be earned or paid will specify that, before such Award will be earned and paid, the Board must certify that the Management Objectives have been satisfied.

(d) The interpretation and construction by the Board of any provision of this Plan or of any Evidence of Award or other agreement or document ancillary to or in connection with this Plan and any determination by the Board pursuant to any provision of the Plan or of any such Evidence of Award or other agreement or document ancillary to or in connection with this Plan will be final and conclusive. No member of the Board will be liable for any such action or determination made in good faith.

(e) Any Participant who believes he or she is being denied any benefit or right under the Plan or under any Award or Evidence of Award may file a written claim with the Committee. Any claim must be delivered to the Committee within six month of the specific event giving rise to the claim. Untimely claims will not be processed and shall be deemed denied. The Committee, or its designee, generally will notify the Participant of its decision in writing as soon as administratively practicable. Claims shall be deemed denied if the Committee does not respond in writing within 180 days of the date the written claim is delivered to the Committee. The Committee's decision is final and conclusive and binding on all Persons. No lawsuit or arbitration relating to the Plan may be filed or commenced before a written claim is filed with the Committee and is denied or deemed denied, and any lawsuit must be filed within one year of such denial or deemed denial or be forever barred.

13. **Non U.S. Participants.** In order to facilitate the making of any grant or combination of grants under the Plan, the Board may provide for such special terms for Awards to Participants who are foreign nationals or who are employed by Inseego or any Subsidiary outside of the United States of America, as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of the Plan (including without limitation, sub-plans) as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of the Plan as in effect for any other purpose, and the Secretary or other appropriate officer of Inseego may certify any such document as having been approved and adopted in the same manner as the Plan. No such special terms, supplements, amendments or restatements, however, will include any provisions that are inconsistent with the terms of the Plan as then in effect unless the Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of Inseego.

14. **Withholding Taxes.** To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other Person under the Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other Person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld, which arrangements (in the discretion of the Board) may include relinquishment of a portion of such benefit. If a Participant's benefit is to be received in the form of Shares, and such Participant fails to make arrangements for the payment of tax, the Company shall withhold such Shares having a value that shall not exceed the statutory maximum amount permitted to be withheld. Notwithstanding the foregoing, when a Participant is required to pay the Company an amount required to be withheld under applicable income and employment tax laws, the Participant may elect, or the Company may require the Participant, to satisfy the obligation, in whole or in part, by electing to have withheld, from the Shares required to be delivered to the Participant, Shares having a value equal to the amount required to be withheld, or by delivering to the Company other Shares held by such Participant. The Shares used for tax withholding

will be valued at an amount equal to the Market Value Per Share of such Shares on the date the benefit is to be included in Participant's income. Participants shall also make such arrangements as the Company may require for the payment of any withholding tax obligation that may arise in connection with the disposition of Shares acquired upon the exercise of Option Rights.

15. **Amendments, Etc.**

(a) The Board may at any time and from time to time amend the Plan in whole or in part; provided, however, that if an amendment to the Plan must be approved by the stockholders of Inseego in order to comply with applicable law or the rules of the Nasdaq Stock Market or, if the Shares are not traded on the Nasdaq Stock Market, the principal national securities exchange upon which the Shares are traded or quoted, then, such amendment will be subject to stockholder approval and will not be effective unless and until such approval has been obtained.

(b) Except in connection with a corporate transaction or event described in Section 11 of the Plan, the terms of outstanding Awards may not be amended to reduce the Option Price of outstanding Option Rights or the Base Price of outstanding Appreciation Rights, and no outstanding Option Rights or Appreciation Rights may be cancelled in exchange for other Awards, or cancelled in exchange for Option Rights or Appreciation Rights with an Option Price or Base Price, as applicable, that is less than the Option Price of the original Option Rights or Base Price of the original Appreciation Rights, as applicable, or cancelled in exchange for cash, without stockholder approval. This Section 15(b) is intended to prohibit (without stockholder approval) the repricing of "underwater" Option Rights and Appreciation Rights and will not be construed to prohibit the adjustments provided for in Section 11 of the Plan. Notwithstanding any provision of the Plan to the contrary, this Section 15(b) may not be amended without approval by Inseego's stockholders.

(c) If permitted by Section 409A of the Code, in case of termination of employment by reason of death, disability or normal or early retirement, or in the case of unforeseeable emergency or other special circumstances, of a Participant who holds an Option Right or Appreciation Right not immediately exercisable in full, or any Restricted Stock or any Restricted Stock Units as to which the Restriction Period has not been completed, or any Annual Incentive Awards, Performance Shares or Performance Units which have not been fully earned, or any Other Awards subject to any vesting schedule or transfer restriction, or who holds Shares subject to any transfer restriction imposed pursuant to Section 10(b) of the Plan, the Board may, in its sole discretion, accelerate the time at which such Option Right, Appreciation Right or Other Award may be exercised or the time when such Restriction Period will end or the time at which such Annual Incentive Awards, Performance Shares or Performance Units will be deemed to have been fully earned or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such Award.

(d) Subject to Section 16(d) of the Plan, the Board may amend the terms of any Award theretofore granted under the Plan prospectively or retroactively, but subject to Section 11 of the Plan, no such amendment shall impair the rights of any Participant without his or her consent, except as necessary to comply with changes in law or accounting rules applicable to Inseego. The Board may, in its discretion, terminate the Plan at any time.

Termination of the Plan will not affect the rights of Participants or their successors under any Awards outstanding hereunder on the date of termination.

16. **Compliance with the Code.**

(a) To the extent applicable, it is intended that the Plan and any grants made hereunder comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A of the Code do not apply to the Participants. The Plan and any grants made hereunder shall be administered in a manner consistent with this intent. Any reference in the Plan to Section 409A of the Code will also include any regulations or any other formal guidance promulgated with respect to such Section by the U.S. Department of the Treasury or the Internal Revenue Service.

(b) Neither a Participant nor any of a Participant's creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A of the Code) payable under the Plan and grants hereunder to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A of the Code, any deferred compensation (within the meaning of Section 409A of the Code) payable to a Participant or for a Participant's benefit under the Plan and grants hereunder may not be reduced by, or offset against, any amount owing by a Participant to the Company or any of its Affiliates.

(c) If, at the time of a Participant's separation from service (within the meaning of Section 409A of the Code), (i) the Participant shall be a specified employee (within the meaning of Section 409A of the Code and using the identification methodology selected by Inseego from time to time) and (ii) Inseego shall make a good faith determination that an amount payable hereunder constitutes deferred compensation (within the meaning of Section 409A of the Code) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A of the Code in order to avoid taxes or penalties under Section 409A of the Code, then Inseego shall not pay such amount on the otherwise scheduled payment date but shall instead pay it, without interest, on the tenth business day of the month after such six-month period.

(d) Notwithstanding any provision of the Plan and grants hereunder to the contrary, in light of the uncertainty with respect to the proper application of the Code, Inseego reserves the right to make amendments to the Plan and grants hereunder as Inseego deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A of the Code, or adverse tax consequences under another Code provision, without Participant consent. In any case, a Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on a Participant or for a Participant's account in connection with the Plan and grants hereunder (including any taxes, penalties, and interest under Section 409A of the Code or another Code provision), and neither the Company nor any of its Affiliates shall have any obligation to indemnify or otherwise hold a Participant nor anyone other than a Participant, including a Participant's estate or beneficiaries, harmless from any or all of such taxes or penalties.

17. **Governing Law.** The Plan and all grants and Awards and actions taken thereunder shall be governed by and construed in accordance with the internal substantive laws of the State of Delaware, without regard to principles of conflicts of laws.

18. **Effective Date/Termination.** The Plan originally became effective as of June 18, 2009. This amendment and restatement was adopted by the Board on May 11, 2018 and will become effective as of the date of shareholder approval, if ever. No grant will be made under the Plan more than 10 years after May 11, 2018, but all grants made on or prior to such date will continue in effect thereafter subject to the terms of the Evidence of Award conveying such grants and of the Plan.

19. **Miscellaneous.**

(a) Each grant of an Award will be evidenced by an Evidence of Award and will contain such terms and provisions, consistent with the Plan, as the Board may approve.

(b) Inseego will not be required to issue any fractional Shares pursuant to the Plan. The Board may provide for the elimination of fractional Shares or for the settlement of fractional Shares in cash.

(c) The Plan will not confer upon any Participant any right with respect to continuance of employment or other service with Inseego or any Subsidiary or Affiliate, nor will it interfere in any way with any right Inseego or any Subsidiary or Affiliate would otherwise have to terminate such Participant's employment or other service at any time.

(d) No person shall have any claim to be granted any Award under the Plan. Without limiting the generality of the foregoing, the fact that a target Award is established for the job value or level for an Employee shall not entitle any Employee to an Award hereunder. Except as provided specifically herein, a Participant or a transferee of an Award shall have no rights as a stockholder with respect to any Shares covered by any Award until the date as of which he or she is actually recorded as the holder of such Shares upon the stock records of the Company.

(e) Determinations by the Board or the Committee under the Plan relating to the form, amount and terms and conditions of grants and Awards need not be uniform, and may be made selectively among persons who receive or are eligible to receive grants and Awards under the Plan, whether or not such persons are similarly situated.

(f) To the extent that any provision of the Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision will be null and void with respect to such Option Right. Such provision, however, will remain in effect for other Option Rights and there will be no further effect on any provision of the Plan.

(g) No Award under the Plan may be exercised by the holder thereof if such exercise, and the receipt of cash or stock thereunder, would be, in the opinion of counsel selected by the Board, contrary to law or the regulations of any duly constituted authority having jurisdiction over the Plan.

(h) Absence or leave approved by a duly constituted officer of Inseego or any of its Subsidiaries shall not be considered interruption or termination of service of any Employee for any purposes of the Plan or Awards granted hereunder.

(i) The Board may condition the grant of any Award or combination of Awards authorized under the Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by Inseego or a Subsidiary to the Participant.

(j) If any provision of the Plan is or becomes invalid, illegal or unenforceable in any jurisdiction, or would disqualify the Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended or limited in scope to conform to applicable laws or, in the discretion of the Board, it shall be stricken and the remainder of the Plan shall remain in full force and effect.

(k) Any Evidence of Award may: (i) provide for recoupment by the Company of all or any portion of an Award upon such terms and conditions as the Board or Committee may specify in such Evidence of Award; or (ii) include restrictive covenants, including, without limitation, non-competition, non-disparagement and confidentiality conditions or restrictions, that the Participant must comply with during employment by or service to the Company and/or within a specified period after termination as a condition to the Participant's receipt or retention of all or any portion of an Award. This Section 19(k) shall not be the Company's exclusive remedy with respect to such matters. This Section 19(k) shall not apply after a Change in Control, unless otherwise specifically provided in the Evidence of Award.

INSEEGO CORP.
2018 OMNIBUS INCENTIVE COMPENSATION PLAN
NONSTATUTORY STOCK OPTION AGREEMENT

The Plan and Other Agreements

The text of the Plan is incorporated into this Award Agreement by reference. In the event of any inconsistency between the provisions of this Award Agreement and the Plan, the Plan shall govern. Capitalized terms used but not otherwise defined in this Award Agreement are defined in the Plan.

Any amendment to the Plan shall be deemed to be an amendment to this Award Agreement to the extent that the amendment is applicable hereto; *provided, however*, that no amendment shall adversely affect your rights under this Award Agreement without your consent (provided, however, that your consent shall not be required to an amendment that is deemed necessary by the Company to ensure compliance with Section 409A of the U.S. Internal Revenue Code, as amended (the “Code”)).

The Option Grant, this Award Agreement and the Plan constitute the entire understanding between you and the Company regarding these Options. Any prior agreements, commitments or negotiations concerning these Options are hereby superseded entirely. Notwithstanding the foregoing, to the extent a written employment agreement, change-in-control agreement, severance agreement or other similar written agreement or arrangement (an “Employment Arrangement”) that has been approved by the Board or a committee thereof provides for greater benefits to the Optionee than provided in the Option Grant, this Award Agreement or the Plan with respect to (a) vesting of the Options upon termination of employment or in the event of a Change in Control, or (b) exercisability of the Options following termination of employment, then the terms of the Employment Arrangement with respect to these matters shall supersede the terms of the Option Grant and this Award Agreement to the extent permitted by the Plan.

Nonstatutory Stock Option

These Options are not intended to be Incentive Stock Options under section 422 of the Code and will be interpreted accordingly.

Vesting

These Options are exercisable only before they expire and then only with respect to those that are vested. These Options will vest according to the Vesting Schedule on the attached cover sheet.

Term

These Options will expire in any event at the close of business at Company headquarters on the 10th anniversary of the Date of Option Grant, as shown on the cover sheet. These Options will expire earlier if your service terminates, as described below.

Regular Termination

If your service terminates for any reason, other than death, Disability (as defined below), or Cause (as defined below), then, except as otherwise provided in an Employment Arrangement, these Options will expire at the close of business at Company headquarters on the 90th calendar day after your service termination date.

Termination for Cause

If your service is terminated for Cause, as determined by the Board in its sole discretion, then immediately upon such event you automatically forfeit all rights to these Options and they shall immediately expire. For purposes of this Award Agreement, “Cause” shall mean the termination of your service due to your commission of any act of fraud, embezzlement or dishonesty; any unauthorized use or disclosure by you of confidential information or trade secrets of the Company or any Subsidiary or Affiliate thereof; or any other intentional misconduct on your part that adversely affects the business or affairs of the Company or any Subsidiary or Affiliate thereof in a material manner. This definition shall not restrict in any way the Company’s or any Subsidiary’s or Affiliate’s right to discharge you for any other reason, nor shall this definition be deemed to be inclusive of all the acts or omissions which constitute “Cause” for purposes other than this Award Agreement.

Death

If your service terminates because of your death, then, except as otherwise provided in an Employment Arrangement, these Options will expire at the close of business at Company headquarters on the date twelve (12) months after the date of death. At any time during that twelve (12) month period, your estate or heirs may exercise those Options which were vested as of the date of your death.

Disability

If your service terminates because of your Disability, then, except as otherwise provided in an Employment Arrangement, these Options will expire at the close of business at Company headquarters on the date twelve (12) months after your service termination date. At any time during that twelve (12) month period, you may exercise those Options which were vested as of the date your service terminated because of your Disability. For purposes of this Award Agreement, “Disability” shall mean that you are unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

Leave of Absence

For purposes of these Options, your service is not interrupted or terminated when you go on a leave of absence that was approved in writing by a duly constituted officer of the Company or any Subsidiary or Affiliate thereof. Your service terminates in any event when the approved leave ends unless you immediately return to active work at the Company or any Subsidiary or Affiliate thereof.

The Company, in its sole discretion, determines which leaves count for this purpose, as well as the point in time your service terminates for all purposes under the Plan.

Method of Exercise

When you wish to exercise any of these Options, you must provide written notice to the Company, or use such other method of exercise as may be specified by the Company, including exercise by electronic means on the web site of the Company's third-party equity plan administrator, which will specify how many Options you wish to exercise. If someone else wants to exercise these Options after your death, that person must prove to the Company's satisfaction that he or she is entitled to do so.

Form of Payment

When you exercise Options, you must remit payment of the Option Price for the Shares you are purchasing at that time and any Tax-Related Items (as defined below). Payment may be made in one or a combination of the following forms:

Cash, your personal check, a cashier's check or a money order.

By delivery (on a form or by electronic means prescribed by the Company) of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company in payment of the aggregate Option Price and any Tax-Related Items.

Withholding Taxes

Regardless of any action the Company or your employer (the "Employer") takes with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you ("Tax-Related Items"), you acknowledge that the ultimate liability for all Tax-Related Items is and remains your responsibility and may exceed the amount actually withheld by the Company or the Employer. You further acknowledge that the Company and/or the Employer (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Options, including, but not limited to, the grant, vesting or exercise of the Options, the subsequent sale of Shares acquired pursuant to such exercise and the receipt of any dividends; and (b) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Options to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. You acknowledge that neither the Company nor the Employer shall have any obligation to indemnify or otherwise hold you harmless from any or all of such Tax-Related Items. Further, if you are subject to tax in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former Employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company and/or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following:

1. withholding from your wages or other cash compensation paid to you by the Company and/or the Employer; or
2. withholding from proceeds of the sale of Shares acquired at exercise, either through a voluntary sale or through a sale arranged by the Company (on your behalf pursuant to this authorization); or
3. withholding in Shares to be issued at exercise.

To avoid negative accounting treatment, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the Options exercised, notwithstanding that a number of Shares is retained solely for the purpose of paying the Tax-Related Items due as a result of any aspect of your participation in the Plan.

Finally, you will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver Shares or the proceeds from the sale of Shares if you fail to comply with your obligations in connection with the Tax-Related Items.

Transfer of Options

Prior to your death, only you may exercise these Options, or in the case of legal incapacity, your guardian or legal representative may act on your behalf. You cannot transfer or assign these Options. For instance, you may not sell the Options themselves or use them as security for a loan. If you attempt to do any of these things, the Options will immediately become invalid. You may, however, dispose of these Options in your will. Regardless of any marital property settlement agreement, the Company is not obligated to honor your spouse's interest in these Options in any way.

Retention Rights

These Options or this Award Agreement do not give you the right to be retained or to continue to be retained by the Company or any Subsidiary or Affiliate thereof in any employment or other capacity. The Company or any Subsidiary or Affiliate thereof reserves the right to terminate your service at any time and for any reason.

Stockholder Rights

You, or your estate or heirs, have no rights as a stockholder of the Company until you are recorded as the holder of the Shares upon the stock records of the Company. No adjustments are made for dividends or other rights if the applicable record date occurs before you are recorded as the holder of the Shares, except as otherwise described in the Plan.

Adjustments

In the event of a stock split, a stock dividend or a similar change in the Company stock, the number of Shares covered by these Options and the Option Price may be adjusted (and rounded down to the nearest whole number) pursuant to the Plan. These

Options shall be subject to the terms of the agreement of merger, liquidation or reorganization in the event the Company is subject to such corporate activity.

No Advice Regarding Grant

The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan, or your acquisition or sale of the underlying Shares. You are hereby advised to consult your own personal tax, legal and financial advisors regarding your participation in the Plan and before taking any action related to the Plan.

Not a Contract of Employment

By accepting this Award Agreement, you acknowledge and agree that (a) any person whose service is terminated before full vesting of an award, such as the one granted to you by this Option grant, could claim that his or her service was terminated to preclude vesting; (b) you will never make such a claim; (c) nothing in this Award Agreement or the Plan confers on you any right to continue a service relationship with the Company, nor shall anything in this Award Agreement or the Plan affect in any way your right or the rights of the Company or the Employer to terminate your service at any time, with or without cause; and (d) the Company would not have granted this Option to you but for these acknowledgments and agreements.

Applicable Law

The Option grant and the provisions of this Award Agreement are governed by, and subject to, the internal substantive laws but not the choice of law rules of the State of Delaware, as provided in the Plan. For purposes of litigating any dispute that arises directly or indirectly from the relationship of the parties evidenced by this grant or this Award Agreement, the parties hereby submit to and consent to the exclusive jurisdiction of the State of California, and agree that such litigation shall be conducted only in the courts of San Diego County, California, or the federal courts of the United States for the Southern District of California, and no other courts, where this grant is made and/or to be performed.

Electronic Delivery

The Company may, in its sole discretion, decide to deliver any documents related to the Options granted under and participation in the Plan or future options that may be granted under the Plan by electronic means. You hereby consent to receive such documents by electronic delivery and to agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

Severability

The provisions of this Award Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

2018 OMNIBUS INCENTIVE COMPENSATION PLAN

Stock Unit Award Agreement

1. **The Plan and Other Agreements.** The text of the Plan is incorporated into this Award Agreement by reference. In the event of any inconsistency between the provisions of this Award Agreement and the Plan, the Plan shall govern. Capitalized terms used but not otherwise defined in this Award Agreement are defined in the Plan. Any amendment to the Plan shall be deemed to be an amendment to this Award Agreement to the extent that the amendment is applicable hereto; *provided, however*, that no amendment shall adversely affect your rights under this Award Agreement without your consent (provided, however, that your consent shall not be required to an amendment that is deemed necessary by the Company to ensure compliance with Section 409A of the U.S. Internal Revenue Code, as amended (the “Code”). The Stock Unit Grant, this Award Agreement and the Plan constitute the entire understanding between you and the Company regarding these Stock Units. Any prior agreements, commitments or negotiations concerning these Stock Units are hereby superseded entirely. Notwithstanding the foregoing, to the extent a written employment agreement, change-in-control agreement, severance agreement or other similar written agreement or arrangement (an “Employment Arrangement”) that has been approved by the Board or a committee thereof provides for greater benefits to the Grantee than provided in the Stock Unit Grant, this Award Agreement or the Plan with respect to vesting of the Stock Units upon termination of employment or in the event of a Change in Control, then the terms of the Employment Arrangement with respect to these matters shall supersede the terms of the Stock Unit Grant and this Award Agreement to the extent permitted by the Plan.
2. **Termination of Service; Leaves of Absence.** Subject to Section 1 above, this Award shall be canceled and become automatically null and void immediately upon termination of your service to the Company or its Subsidiary or Affiliate for any reason, but only to the extent you have not become vested, pursuant to the foregoing terms, on or at the time your service to the Company or any Subsidiary or Affiliate thereof ends. For purposes of the Award, your service is not interrupted or terminated when you go on a leave of absence that is approved in writing by a duly constituted officer of the Company or any Subsidiary or Affiliate thereof. Your service terminates in any event when the approved leave ends unless you immediately return to active work at the Company or any Subsidiary or Affiliate thereof. The Company, in its sole discretion, determines which leaves count for this purpose, as well as the point in time your service terminates for all purposes under the Plan.
3. **Satisfaction of Vesting Restrictions.** No Shares will be issued before you complete the requirements that are necessary for you to vest in your Stock Units. As soon as practicable after the date on which your Stock Units vest in whole or in part, the Company will issue to you, free from vesting restrictions (but subject to such legends as the Company determines to be appropriate), one Share for each vested Stock Unit; *provided, however*, that, by accepting this Award Agreement, you authorize the Company to withhold taxes pursuant to Section 7 below.
4. **Investment Purposes.** By accepting this Award, you represent and warrant to the Company that any Shares issued to you pursuant to your Stock Units will be for investment for your own account and not with a view to, for resale in connection with, or with an intent of participating directly or indirectly in, any distribution of such Shares within the meaning of the U.S. Securities Act of 1933, as amended. You further acknowledge and agree that your ability to sell any Shares issued to you pursuant to your Stock Units may be limited by applicable securities laws and the Company’s Insider Trading Policy then in effect.
5. **Dividend Equivalents.** When Shares are delivered to you pursuant to the vesting of your Stock Units, you shall also be entitled to receive, with respect to each Share issued or withheld by the Company pursuant to Section 3, (a) a number of Shares equal to the per Share stock dividends which were declared and paid to the holders of Shares between the Date of Grant and the date such Shares are delivered to you, and (b) a number of Shares having a Fair Market Value (on the date of each cash dividend payment date) equal to any per Share cash dividends that were paid to the holders of Shares based on a record date falling between the Date of Grant and the date such Shares are delivered to you. To the extent that your service ends before vesting of all the Stock Units, you will forfeit all dividend equivalents (whether paid in cash or in stock) attributable to all Shares underlying such unvested Stock Units.
6. **Restrictions on Transfer of Award.** Your rights under this Award Agreement may not be sold, pledged, or otherwise transferred without the prior written consent of the Board. If you attempt to do any of these things, the Stock Units will immediately become invalid. You may, however, dispose of these Stock Units in your will. Regardless of any

marital property settlement agreement, the Company is not obligated to honor your spouse's interest in these Stock Units in any way.

7. **Income Taxes and Deferred Compensation.** Regardless of any action the Company or your employer (the "**Employer**") takes with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you ("**Tax-Related Items**"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and may exceed the amount actually withheld by the Company or the Employer. You further acknowledge that the Company and/or the Employer (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Stock Units, including the grant of the Stock Units, the vesting of Stock Units, the settlement of the Stock Units with Shares, the subsequent sale of any Shares acquired at vesting and the receipt of any dividends; and (b) do not commit to structure the terms of the grant or any aspect of the Stock Units to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. You acknowledge that neither the Company nor the Employer shall have any obligation to indemnify or otherwise hold you harmless from any or all of such Tax-Related Items. Further, if you are subject to tax in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former Employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

The Board shall have the sole discretion to interpret the requirements of the Code for purposes of the Plan and this Award Agreement. The Board has the discretion to unilaterally modify this Award as necessary to conform with U.S. law. This includes the right, to the extent the Company deems necessary or advisable in its sole discretion, of the Board to unilaterally amend or modify the Plan and/or this Award Agreement to conform with applicable U.S. law, including to ensure that the grant and administration of this Award qualifies for exemption from the application of the taxes imposed by Section 409A of the Code. Notwithstanding the previous sentence, the Company makes no representation that this Award is not now, nor in the future, subject to the taxes imposed by Section 409A of the Code nor undertakes to preclude such taxes from applying to this Award.

Prior to the relevant taxable or tax withholding event, as applicable, you shall pay, or make adequate arrangements satisfactory to the Company or to the Employer (in their sole discretion) to satisfy all Tax-Related Items. In this regard, you authorize the Company or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to Tax-Related Items by one or a combination of the following:

1. withholding a number of Shares otherwise deliverable to you from time to time equal to the Retained Share Amount (as defined below); or
2. withholding from your wages or other cash compensation paid to you by the Company and/or the Employer; or
3. withholding from proceeds of the sale of Shares acquired upon settlement of the Stock Units, either through a voluntary sale or through a sale arranged by the Company (on your behalf pursuant to this authorization).

To avoid negative accounting treatment, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the Stock Units, notwithstanding that a number of Shares is retained solely for the purpose of paying the Tax-Related Items due as a result of any aspect of your participation in the Plan.

The "**Retained Share Amount**" shall mean a number of Shares equal to the quotient of the minimum statutory tax withholding obligation of the Company triggered by the vesting of your Award on the relevant Vesting Date, divided by the Fair Market Value of one Share on the relevant Vesting Date or as otherwise provided in the Plan. If the obligation for Tax-Related Items is satisfied by withholding a number of Shares as described herein, you understand that you will be deemed to have been issued the full number of Shares subject to the settled Stock Units, notwithstanding that a number of Shares are held back solely for the purpose of paying the Tax-Related Items due as a result of the settlement of the Stock Units.

You shall pay to the Company or to the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your receipt of Stock Units, the vesting of Stock Units, or the settlement of vested Stock Units with Shares that cannot be satisfied by the means previously described. The Company may refuse to deliver Shares to you if you fail to comply with your obligation in connection with the Tax-Related Items.

8. **Notices.** Any notice or communication required or permitted by any provision of this Award Agreement to be given to you shall be in writing and shall be delivered electronically, personally, or sent by certified mail, return receipt

requested, addressed to you at the last address that the Company or the Employer had for you on its records. Each party may, from time to time, by notice to the other party hereto, specify a new address for delivery of notices relating to this Award Agreement. Any such notice shall be deemed to be given as of the date such notice is personally delivered or properly mailed.

The Company may, in its sole discretion, decide to deliver any documents related to Stock Units awarded under the Plan or future Stock Units that may be awarded under the Plan by electronic means or request your consent to participate in the Plan by electronic means. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

9. **Binding Effect**. Except as otherwise provided in this Award Agreement or in the Plan, every covenant, term, and provision of this Award Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legatees, legal representatives, successors, transferees, and assigns.
10. **Modifications**. Subject to Section 7 hereof, this Award Agreement may not be modified or amended without your prior consent.
11. **Headings**. Section and other headings contained in this Award Agreement are for reference purposes only and are not intended to describe, interpret, define or limit the scope or intent of this Award Agreement or any provision hereof.
12. **Severability**. The provisions of this Award Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.
13. **Stockholder Rights**. You, or your estate or heirs, have no rights as a stockholder of the Company until you are recorded as the holder of the Shares upon the stock records of the Company. No adjustments are made for dividends or other rights if the applicable record date occurs before you are recorded as the holder of the Shares, except as otherwise described in the Plan.
14. **Adjustments**. In the event of a stock split, a stock dividend or a similar change in the Company stock, the number of Shares covered by these Stock Units may be adjusted (and rounded down to the nearest whole number) pursuant to the Plan. These Stock Units shall be subject to the terms of the agreement of merger, liquidation or reorganization in the event the Company is subject to such corporate activity.
15. **No Advice Regarding Grant**. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendation regarding your participation in the Plan, or your acquisition or sale of the underlying Shares. You are hereby advised to consult your own personal tax, legal and financial advisors regarding your participation in the Plan and before taking any action related to the Plan.
16. **Not a Contract of Employment**. By accepting this Award Agreement, you acknowledge and agree that (a) any person whose service is terminated before full vesting of an award, such as the one granted to you by this Award, could claim that his or her service was terminated to preclude vesting; (b) you will never make such a claim; (c) nothing in this Award Agreement or the Plan confers on you any right to continue a service relationship with the Company, nor shall anything in this Award Agreement or the Plan affect in any way your right or the rights of the Company or the Employer to terminate your service at any time, with or without cause; and (d) the Company would not have granted this Award to you but for these acknowledgements and agreements.
17. **Governing Law**. This Award Agreement, the construction of its terms, and the interpretation of the rights and duties of the parties hereto are governed by, and subject to, the internal substantive laws but not the choice of law rules of the State of Delaware, as provided in the Plan. For purposes of litigating any dispute that arises directly or indirectly from the relationship of the parties evidenced by this Award Agreement, the parties hereby submit to and consent to the exclusive jurisdiction of the State of California and agree that such litigation shall be conducted only in the courts of San Diego County, California, or the federal courts of the United States for the Southern District of California, and no other courts, where this Award is made and/or to be performed.

SECTION 4

ENROLLMENT

4.1 Participation. Each Eligible Employee may elect to become a Participant by enrolling or re-enrolling in the Plan effective as of any Enrollment Date. In order to enroll, an Eligible Employee must complete, sign and submit to the Company an enrollment form in such form, manner and by such deadline as may be specified by the Committee from time to time (in its discretion and on a nondiscriminatory basis). Any Participant whose option expires and who has not withdrawn from the Plan automatically will be re-enrolled in the Plan on the Enrollment Date immediately following the Purchase Date on which his or her option expires.

4.2 Payroll Withholding. On his or her enrollment form, each Participant must elect to make Plan contributions via payroll withholding from his or her Compensation. Pursuant to such procedures as the Committee may specify from time to time, a Participant may elect to have withholding equal to a whole percentage from 1% to 10%. A Participant may elect to increase or decrease his or her rate of payroll withholding by submitting a new enrollment form in accordance with such procedures as may be established by the Committee from time to time. A Participant may stop his or her payroll withholding by submitting a new enrollment form in accordance with such procedures as may be established by the Committee from time to time. In order to be effective as of a specific date, an enrollment form must be received by the Company no later than the deadline specified by the Committee, in its discretion and on a nondiscriminatory basis, from time to time. Any Participant who is automatically re-enrolled in the Plan will be deemed to have elected to continue his or her contributions at the percentage last elected by the Participant.

SECTION 5

OPTIONS TO PURCHASE COMMON STOCK

5.1 Grant of Option. On each Enrollment Date on which the Participant enrolls or re-enrolls in the Plan, he or she shall be granted an option to purchase shares of Common Stock.

5.2 Duration of Option. Each option granted under the Plan shall expire on the earliest to occur of (a) the completion of the purchase of shares on the last Purchase Date occurring within 6 months of the Grant Date of such option, (b) such shorter option period as may be established by the Committee from time to time prior to an Enrollment Date for all options to be granted on such Enrollment Date, or (c) the date on which the Participant ceases to be a Participant for any reason. Until otherwise determined by the Committee for all options to be granted on an Enrollment Date, the period referred to in clause (b) in the preceding sentence shall mean the period from the applicable Enrollment Date through the last business day prior to the immediately following Enrollment Date.

5.3 Number of Shares Subject to Option. The number of shares available for purchase by each Participant under the option will be established by the Committee from time to time prior to an Enrollment Date for all options to be granted on such Enrollment Date, provided that the maximum number of shares available for purchase by each Participant under the option shall not exceed 5,000, subject to adjustment as provided in Section 3.2.

5.4 Other Terms and Conditions. Each option shall be subject to the following additional terms and conditions:

- (a) payment for shares purchased under the option shall be made only through payroll withholding under Section 4.2;
- (b) purchase of shares upon exercise of the option will be accomplished only in accordance with Section 6.1;
- (c) the price per share under the option will be determined as provided in Section 6.1, provided that the price per share shall not be less than the par value per share; and
- (d) the option in all respects shall be subject to such other terms and conditions (applied on a uniform and nondiscriminatory basis), as the Committee shall determine from time to time in its discretion.

SECTION 6

PURCHASE OF SHARES

6.1 Exercise of Option. Subject to Section 6.2, on each Purchase Date, the funds then credited to each Participant's account shall be used to purchase whole shares of Common Stock. Any cash remaining after whole shares of Common Stock have been purchased shall be carried forward in the Participant's account for the purchase of shares on the next Purchase Date. The price per Share of the Shares purchased under any option granted under the Plan shall be eighty-five percent (85%) of the lower of:

- (a) the closing price per Share on the Grant Date for such option on the NASDAQ National Market System; and
- (b) the closing price per Share on the Purchase Date on the NASDAQ National Market System.

6.2 Delivery of Shares. As directed by the Committee in its sole discretion, shares purchased on any Purchase Date shall be delivered directly to the Participant or to a custodian or broker (if any) designated by the Committee to hold shares for the benefit of the Participants. As determined by the Committee from time to time, such shares shall be delivered as physical certificates or by means of a book entry system.

6.3 Exhaustion of Shares. If at any time the shares available under the Plan are over-enrolled, enrollments shall be reduced proportionately to eliminate the over-enrollment. Such reduction method shall be "bottom up," with the result that all option exercises for one share shall be satisfied first, followed by all exercises for two shares, and so on, until all available shares have been exhausted. Any funds that, due to over-enrollment, cannot be applied to the purchase of whole shares shall be refunded to the Participants (without interest thereon).

SECTION 7

WITHDRAWAL

7.1 Withdrawal. A Participant may withdraw from the Plan by submitting a completed enrollment form to the Company. A withdrawal will be effective only if it is received by the Company by the deadline specified by the Committee (in its discretion and on a uniform and nondiscriminatory basis) from time to time. When a withdrawal becomes effective, the Participant's payroll contributions shall cease and all amounts then credited to the Participant's account shall be distributed to him or her (without interest thereon).

SECTION 8

CESSATION OF PARTICIPATION

8.1 Termination of Status as Eligible Employee. A Participant shall cease to be a Participant immediately upon the cessation of his or her status as an Eligible Employee (for example, because of his or her termination of employment from all Employers for any reason). As soon as practicable after such cessation, the Participant's payroll contributions shall cease and all amounts then credited to the Participant's account shall be distributed to him or her (without interest thereon). If a Participant is on a Company-approved leave of absence, his or her participation in the Plan shall continue for so long as he or she remains an Eligible Employee and has not withdrawn from the Plan pursuant to Section 7.1.

SECTION 9

ADMINISTRATION

9.1 Plan Administrator. The Plan shall be administered by the Committee. The Committee shall have the authority to control and manage the operation and administration of the Plan.

9.2 Actions by Committee. Each decision of a majority of the members of the Committee then in office shall constitute the final and binding act of the Committee. The Committee may act with or without a meeting being called or held and shall keep minutes of all meetings held and a record of all actions taken by written consent.

9.3 Powers of Committee. The Committee shall have all powers and discretion necessary or appropriate to supervise the administration of the Plan and to control its operation in accordance with its terms, including, but not by way of limitation, the following discretionary powers:

- (a) To interpret and determine the meaning and validity of the provisions of the Plan and the options and to determine any question arising under, or in connection with, the administration, operation or validity of the Plan or the options;
- (b) To determine any and all considerations affecting the eligibility of any employee to become a Participant or to remain a Participant in the Plan;
- (c) To cause an account or accounts to be maintained for each Participant;
- (d) To determine the time or times when, and the number of shares for which, options shall be granted;
- (e) To establish and revise an accounting method or formula for the Plan;
- (f) To designate a custodian or broker to receive shares purchased under the Plan and to determine the manner and form in which shares are to be delivered to the designated custodian or broker;
- (g) To determine the status and rights of Participants and their Beneficiaries or estates;
- (h) To employ such brokers, counsel, agents and advisers, and to obtain such broker, legal, clerical and other services, as it may deem necessary or appropriate in carrying out the provisions of the Plan;

- (j) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by employees who are foreign nationals or employed outside of the United States;
- (k) To delegate to any one or more of its members or to any other person, severally or jointly, the authority to perform for and on behalf of the Committee one or more of the functions of the Committee under the Plan.

9.4 Decisions of Committee. All actions, interpretations, and decisions of the Committee shall be conclusive and binding on all persons, and shall be given the maximum possible deference allowed by law.

9.5 Administrative Expenses. All expenses incurred in the administration of the Plan by the Committee, or otherwise, including legal fees and expenses, shall be paid and borne by the Employers, except any stamp duties or transfer taxes applicable to the purchase of shares may be charged to the

account of each Participant. Any brokerage fees for the purchase of shares by a Participant shall be paid by the Company, but fees and taxes (including brokerage fees) for the transfer, sale or resale of shares by a Participant, or the issuance of physical share certificates, shall be borne solely by the Participant.

9.6 Eligibility to Participate. No member of the Committee who is also an employee of an Employer shall be excluded from participating in the Plan if otherwise eligible, but he or she shall not be entitled, as a member of the Committee, to act or pass upon any matters pertaining specifically to his or her own account under the Plan.

9.7 Indemnification. Each of the Employers shall, and hereby does, indemnify and hold harmless the members of the Committee and the Board, from and against any and all losses, claims, damages or liabilities (including attorneys' fees and amounts paid, with the approval of the Board, in settlement of any claim) arising out of or resulting from the implementation of a duty, act or decision with respect to the Plan, so long as such duty, act or decision does not involve gross negligence or willful misconduct on the part of any such individual.

SECTION 10

AMENDMENT, TERMINATION, AND DURATION

10.1 Amendment, Suspension, or Termination. The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Board, in its discretion, may elect to terminate all outstanding options either immediately or upon completion of the purchase of shares on the next Purchase Date, or may elect to permit options to expire in accordance with their terms (and participation to continue through such expiration dates). If the options are terminated prior to expiration, all amounts then credited to Participants' accounts which have not been used to purchase shares shall be returned to the Participants (without interest thereon) as soon as administratively practicable.

10.2 Duration of the Plan. The Plan shall commence on the date specified herein, and subject to Section 10.1 (regarding the Board's right to amend or terminate the Plan), shall remain in effect until June 18, 2024.

SECTION 11

GENERAL PROVISIONS

11.1 Participation by Subsidiaries. One or more Subsidiaries of the Company may become participating Employers by adopting the Plan and obtaining approval for such adoption from the Board. By adopting the Plan, a Subsidiary shall be deemed to agree to all of its terms, including (but not limited to) the provisions granting exclusive authority (a) to the Board to amend the Plan, and (b) to the Committee to administer and interpret the Plan. An Employer may terminate its participation in the Plan at any time. The liabilities incurred under the Plan to the Participants employed by each Employer shall be solely the liabilities of that Employer, and no other Employer shall be liable for benefits accrued by a Participant during any period when he or she was not employed by such Employer.

11.2 Inalienability. In no event may either a Participant, a former Participant or his or her Beneficiary, spouse or estate sell, transfer, anticipate, assign, hypothecate, or otherwise dispose of any right or interest under the Plan; and such rights and interests shall not at any time be subject to the claims of creditors nor be liable to attachment, execution or other legal process. Accordingly, for example, a Participant's interest in the Plan is not transferable pursuant to a domestic relations order.

11.3 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

11.4 Requirements of Law. The granting of options and the issuance of shares shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or securities exchanges as the Committee may determine are necessary or appropriate.

11.5 Compliance with Rule 16b-3. Any transactions under this Plan with respect to officers (as defined in Rule 16a-1 promulgated under the 1934 Act) are intended to comply with all applicable conditions of Rule 16b-3. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee. Notwithstanding any contrary provision of the Plan, if the Committee specifically determines that compliance with Rule 16b-3 no longer is required, all references in the Plan to Rule 16b-3 shall be null and void.

11.6 No Enlargement of Employment Rights. Neither the establishment or maintenance of the Plan, the granting of options, the purchase of shares, nor any action of any Employer or the Committee, shall be held or construed to confer upon any individual any right to be continued as an employee of the Employer nor, upon dismissal, any right or interest in any specific assets of the Employers other than as provided in the Plan. Each Employer expressly reserves the right to discharge any employee at any time, with or without cause.

11.7 Apportionment of Costs and Duties. All acts required of the Employers under the Plan may be performed by the Company for itself and its Subsidiaries, and the costs of the Plan may be equitably apportioned by the Committee among the Company and the other Employers. Whenever an Employer is permitted or required under the terms of the Plan to do or perform any act, matter or thing, it shall be done and performed by any officer or employee of the Employers who is thereunto duly authorized by the Employers.

11.8 Construction and Applicable Law. The Plan is intended to qualify as an “employee stock purchase plan” within the meaning of Section 423(b) of the Code. Any provision of the Plan which is inconsistent with Section 423(b) of the Code shall, without further act or amendment by the Company or the Committee, be reformed to comply with the requirements of Section 423(b). The provisions of the Plan shall be construed, administered and enforced in accordance with such Section and with the laws of the State of California (excluding California’s conflict of laws provisions).

11.9 Captions. The captions contained in and the table of contents affixed to the Plan are inserted only as a matter of convenience, and in no way define, limit, enlarge or describe the scope or intent of the Plan nor in any way shall affect the construction of any provision of the Plan.
